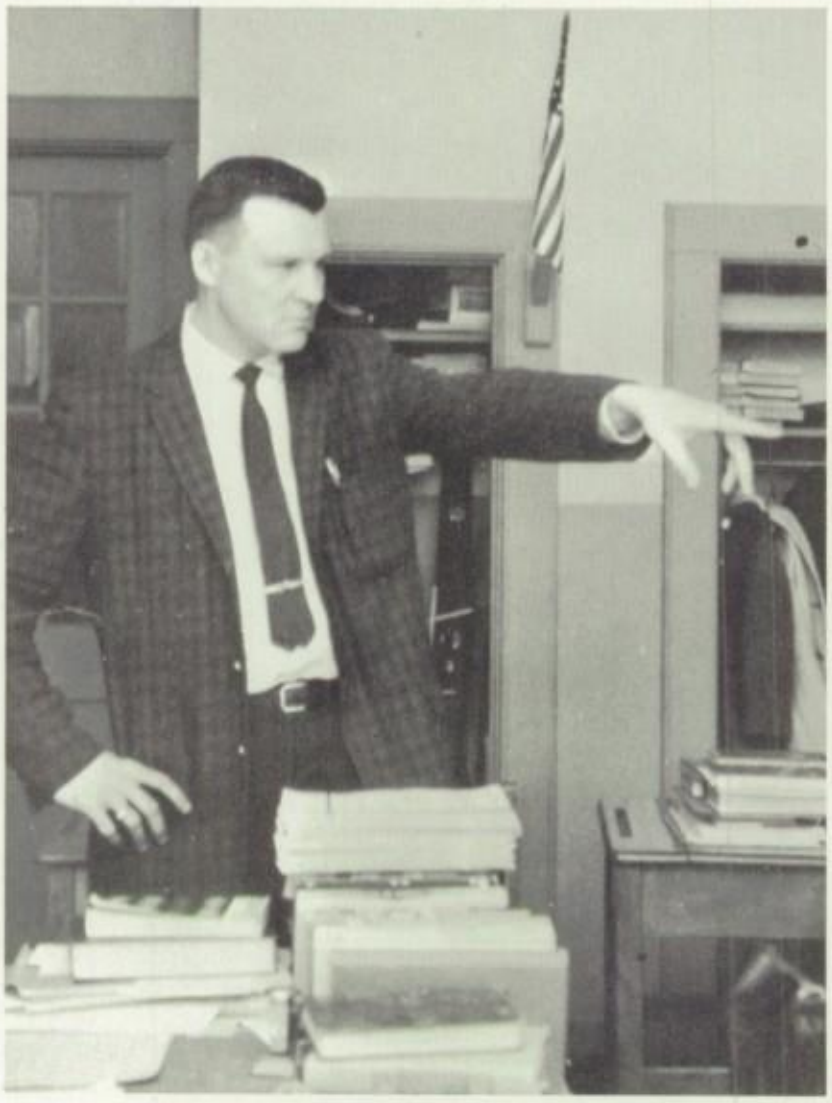
DEDICATION



We, the class of 1961, proudly dedicate this yearbook to Mr. Stohrer. His interest, not only in the classroom, but also in multifarious school activities has helped each and every one.

ADMINISTRATION & FACULTY

N. L. H. S.

1961

Gordon B. Flint, Superintendent

To the Members of the Class of 1961:

Congratulations to each of you as you complete your high school course!

As you leave New London High School, you should carry with you a basic foundation of work habits, a sense of responsibility, and a willingness to achieve. The extent to which you use this background is the real measure of this school system.

I am sure your class will add many more chapters of accomplishment to the Alumni History of New London High School.

I wish each of you happiness and success in the years ahead.

Sincerely yours,
Gordon B. Flint

Robert J. Livingston, Principal

To the Members of the Class of 1961:

In just a few more weeks you will become alumni of New London High School, realizing that the past four years have gone by so rapidly you have difficulty sorting out the many "ups and downs" you have had as active members of the school.

You will find that your future has already been charted, to some extent, by these past four years. You will have your "ups and downs" as you had them here in school, but it is my hope that you will benefit by your past experiences and have a real satisfactory life.

I would like to suggest that as you go your many ways after leaving here that you always keep a warm spot in your heart for New London High School.

The faculty joins me in wishing you success in the future that lies ahead of you.

Sincerely yours,
Robert J. Livingston

PRESIDENT'S MESSAGE

On behalf of the Class of 1961, I would like to express sincere appreciation for the help given us by the faculty and also to express our best wishes to the underclassmen.

At times, we may have considered these four years to be dull and of little value. But I am sure, after a little sincere thought, most of us would agree that these years have been exciting and truly rewarding.

As we graduate from NLHS, I am sure we shall leave with mixed emotions. One minute we shall be extremely happy and the next rather melancholy. Over the years, I am sure, we shall look back upon the many happy times spent in both the classroom and in our many extra-curricular activities and re-live them in memory as the most cherished days of our lives.
